NAIA Tournament 1969

McKendree College, long overlooked as a candidate for the NAIA District 20 tournament, upset tradition this year by bagging the No. 2 berth in this post-season event. The Bearcats' inclusion in the tournament marks its first invitation since becoming an independent team in 1963.

The first game of the tournament saw Chicago State fall to McKendree, a game played in Lebanon. A spirited team then traveled to Millikan University for the deciding game of who was to represent District 20 in the Kansas City finals.

Losing the game at Millikan was not an easy one, but everyone at McKendree is proud of their Bearcats and Coach for having such a fine season. Next year--it will be "all the way to K.C."

The Campus Program Association, a student organization, performs several functions at McKendree. The association provides films, recreation, fine arts, social life, hospitality, religious life, public relations, and speaker programs throughout the school year for the campus community to enjoy. All students have the opportunity to be put on one or more of the eight committees and have a voice in the nature of the programs and services provided by the association. All matters concerning the association are ruled on by one or more of the committees, getting a cross-section of campus opinion before any action is taken. The Association is headed by our president who is elected in an all campus election by the students. Along with the president we have eight committee chairman and a staff adviser.

The Campus Program association is a student organization using student funds for activities to benefit the students. This year at McKendree has been a most successful one for the association.

The Clionian Literary Society, or "Clio" as it is known, is a women's society open by invitation to any girl with a 2.00 or better cumulative grade point average.

Clio was founded in 1869 as the first society for women on McKendree's campus. As McKendree has developed and grown through the years, and Clio with it, the Clionians have strived for learning as well as college and self-betterment. Through the literary, service, and social endeavors of its members, Clio has successfully remained one of the leading societies on campus.

The Sigma Kappa Tau Society was organized as a new dimension on the McKendree campus in January of 1967. Its purpose is to promote sisterhood, service to the college and community, and scholastic achievement of its members. Through these goals the Society strives for a better relationship between the college and the community.

Karen Nottrott, Vice President; Marianna Davis, President; Bev Terry, Secretary-Treasurer.

Who's Who

Each year certain students meeting certain requirements are nominated for the Who's Who Among Students in American Colleges and Universities. This is to explain how these students, on our campus, become part of this publication.

Senior students who meet the criteria for nomination are screened by the Registrar and the faculty. A student advisory ballot is taken, and the Faculty Committee on Student Life makes the final decision.

The qualities considered in prospective nominees are those suggested by the editors of Who's Who Among Students in American Colleges and Universities: the student's excellence and sincerity in scholarship; his leadership; and participation in extracurricular and academic activities; his citizenship and service to the school; and his promise of future usefulness to business and society.

Senior Class Officers

Karen Nottrott, Secretary; Marianna Davis, Treasurer; Robert Bridges, Vice-Pres.; Sam Habermehl, President.

Dedication

Kenneth Charles Frazer, son of Mr. & Mrs. Hubert Frazer, was born September 16, 1945 in Chester, Illinois. In his elementary and secondary years of schooling, Ken participated in cross country, Little League and as a class officer. Within his community, Ken was active in Church league and Boy Scouts where he achieved one of scouting's most admirable awards, that of Eagle Scout.

Upon coming to McKendree, Ken, known to many as "The Fraz", made of himself a student, a diplomat, a brother, a participant in many organizations and most of all a man; a man who shall remain in the hearts of those who knew and loved him.

Ken was a sociology major and a psychology minor. He served as President and Treasurer of Phi Rho Chi, was a member of the Student Conduct Committee for two years, and was President of his sophomore class. As an athlete, Ken was a master at the game of tennis which he loved to play. He was also a member of The Letterman's Club. In service to his school, Ken represented McKendree College at two model United Nations Assemblies.

Mr. Robert Brown, Professor of Sociology, spoke of Ken as a man of "fairness and integrity whose zest and enthusiasm were an inspiration to us all". Ken gave his life for God and Country in Viet Nam, Sept. 19, 1968.

It is with this thought in mind that we, the staff of the 1969 McKendreean, dedicate this book of memories to Kenneth Charles Frazer whose memory will dwell within the hearts of many forever.

Kenneth C. Frazer

The 1968-69 school year went by fast, but many things happened and many things will be remembered. New friends were made, old acquaintances renewed and all of us added another year to our lives within a community which will come to be an important part of our growing up.

It is hoped that many will have found a turning point in their lives while at McKendree this year in many or maybe just one aspect of his or her life. If this be the case then let us be grateful for we are all very fortunate to be part of such a wonderful country that provides us with the opportunities such as we have.

One day soon everyone will reach the year of commencement and will be ready to go out and use what he has worked so hard to obtain while in college.

Going out into the world and using all the knowledge acquired in school will be of no use at all if one cannot enjoy his society and its people. Living together and enjoying life will be the blessing of anyone's life that will warm his heart and fulfill his emptiness when he senses defeat or struggle.

In closing the year, I would like to personally thank every member of my staff for the excellent job which they did, for their fine cooperation and patience through two semesters. You were all extremely helpful and I enjoyed working with each and everyone of you.

To all of the graduating seniors, I want to wish the best of luck for your success in the years to come. May you always hold fond memories of your years at McKendree.
